

## Vernon Lee Smith

May 4, 1942 - November 23, 2022

Vernon Lee Smith passed peacefully on November 24, 2022 in Yreka after walking down the long road of dementia. He was born on May 4, 1942 in Newton, Kansas to Virgil and Elizabeth Smith. He survived his parents and three brothers, Kermit, Stanley and Gordon.

Vern was raised in Newton and graduated from Newton High School in 1960. He was an accomplished three sport athlete, excelling in football, baseball and basketball. He chose to focus on basketball and played his freshman collegiate year at Oklahoma State before transferring to Wichita State University. There he studied education and played basketball for the Shockers under legendary coach Ralph Miller, highlighted by playing in the Final Four against Princeton in 1965. He met Dwala Kim while at WSU and the two were married on October 1, 1966. He was drafted in the U.S. Army and completed officer training at Fort Sill, Oklahoma, where the couple welcomed daughter Stephanie. The family then moved to Emporia, Kansas, where Vern completed his master's degree in counseling. Through his beloved high school coach, John Ravenscroft, he accepted a teaching position all the way out in Yreka, California, where he and Dwala settled and welcomed a second daughter, Shelly. In a career that spanned 31 years at Yreka High School, Vern taught English and Math and then became the guidance counselor. He also coached football and basketball. "Mr. Smith" coached, guided, counseled and supported countless YHS students over the years. He embraced the close-knit community for decades.

Vern retired from YHS in 2001. Vern and Dwala enjoyed traveling to Oregon to spend time with their daughters and their families...mostly just to have fun with grandsons Spencer and Morgan and granddaughters Claire and Hanna. They also made a number of trips back to Kansas, where Vern was honored by being inducted into his high school's athletic Hall of Fame, as well as being honored and acknowledged with his Final Four team on numerous occasions. Vern is survived by his wife of 56 years, Dwala; daughter Stephanie Hoffman and her husband Gary of Pleasant Hill, Oregon, and their children Spencer and Claire; daughter Shelly Smith and her husband Erik Israelsson of Gresham, Oregon, and their children Hanna and Morgan. He was a gentle-spirited, good humored, loving husband, father, grandfather and friend. Vern, Dad, Papa, and Grandpa, Mr. Smith will always be dearly loved and forever remembered.

Memorial services are pending.

“ Vern and I first met when our Bullpups of McPherson Ks and his Railroaders of Newton Ks met in a Regional finals basketball game. Vern was the star of the show sending us home with our first defeat of the season. We later both ended up at Wichita State becoming teammates and good friends. Vern was as good as they get as a teammate, man and friend. Vern and Dwala both have had a special place in our lives over the years. Peace be with you. Rae Ann and Dave Leach

“ Dwala:  
*With Love in my Heart and tears in my eyes my deepest sympathy and condolences to you and your entire family on the passing of your beloved husband , Vernon.  
In my senior at Wichita both Vernon and I were roommates and it was a pleasure being with him.  
Both on and off the court, Vernon was a very special and caring individual .  
On the court he played a Key Role in bringing Wichita State to its first Final Four Appearance.  
Off the court he was very caring to all of us and made us feel good about ourselves .  
Memories of the past, but not forgotten.  
All my love ,

“ Dwala you married a good man. Quiet and calm always a kind word. In your final journey with Vern I am sure it took everything you had to cope. Your memories for the two of you and your family will keep you at peace. I like thinking of the two of you just as you were at our last reunion.  
God Bless your beautiful family.

“ I am so saddened by this news. Mr. Smith was never my teacher but he was a very kind man who truly loved what he did. When I was a varsity cheerleader he took all 6 of us cheerleaders to several stores in Redding to assure we all got the right size matching shoes, he was so patient.  
My condolences to Dwila and the entire family. You are in my thoughts and prayers

“ Vern and Dwala were two of the first people I met in Yreka. I had a flat tire on the Highway while making the last move there having to unpack the whole trunk to change the flat. When I arrived at the party they were hosting, Vern had put a bunch of old tires on the front lawn to welcome me. That humor lasted throughout our friendship. Vern counseled both my kids at Yreka High. A kind man with an equally kind family. Dwala, Steph and Shelly: my deepest condolences.

Fondly, Kathy
