“ *Veronica was a true delight as a yoga instructor at The Wellness Center. Her spirit shone like a beacon as soon as she walked in. She was an inspiration and a source of positive energy for everyone. (Bless you Veronica) Linda Stremel*

“ *I just found out, a month later, that Veronica passed away in June. I am so saddened. Veronica and Jim had two boys close to my two sons' ages. We raised our boys through the years in baseball and other school activities. My sons still talk of her awesome meatloaf. She was a good friend with a great sense of humor. I had lost touch with her and Jim over the past few years. Something I cannot change. She will be missed. Kathy and Kevin Casey*

“ Dear Nurmi family, Veronica was one of my favorite people. We met at Sew Unique and shared a love of quilting. She was funny, caring and fun to be around. She had great stories, like the time she mistakenly sewed a pair of her underwear into a quilt!! The last time I saw her she was working in someone else's garden, not because she had to but because she loved it. I'm so sorry for your loss. She will be dearly missed. Sincerely, Carol Simpson
